

Here's what folks are saying about Monte Good and the Honky Tonk Heroes Band and their music:

It's always a pleasure when Monte Good plays Lil' Reds Longhorn Saloon in the Historic Fort Worth Stockyards. He consistently packs the house and everyone leaves with a smile on their face. I have booked many acts over the years and I can say, without reservation, Monte is the easiest performer to ever grace my stage.

If you are looking for a top flight talent, guaranteed to please your crowd and keep the dance floor full, look no farther than Monte Good!

Craig Copeland - Owner / Lil' Reds Longhorn Saloon - Fort Worth, TX

"Monte Good is great to work with and his band has a great sound! They played 8 nights in a row at Rodeo Austin's 100X Club and kept the set fresh and entertaining every night. We received high reviews from our patrons and will continue to invite him back to perform!" -

Hollye Simpson - Exhibits Coordinator / Rodeo Austin - Austin, TX

"Monte took the road less traveled and put together a fine collection of tunes...His superb vocal performance stays at the forefront. No frills or fluff. What country music should be. Put this one in on the way to your local watering hole or honky-tonk!" -

Travis Cooper - Americana Gazette - Nashville, TN

"FIVE stars!! Some damn real fine country music...If I had only heard this album sooner it might have well made it into my best of the year."

Duncan Warwick - Country Music People - United Kingdom
